

**The Little Hippo
Child Development
Center**

**302 College
Hutto, TX 78634**

512-759-5466

Mary Riley, director

Hutto ISD offers child care at a reduced rate for employees of the district. Care is provided for children from six weeks of age through Pre-Kindergarten. Children are nurtured in an environment that meets the developmental needs of each individual child. Tuition is figured on a ten month basis so the same amount is deducted, September through June, from the employee's pay check. More information including waiting list and registration forms can be found on the HISD website at www.hutto@txed.net Click on Human Resources and then look for the link to The Little Hippo CDC.

This education focused child development center supports the district's commitment to recruit and retain outstanding employees by providing quality benefits.
